

Hello! I am in Sunshine coast BC, Canada. This place is full of nature and beautiful places. It's been already 7 months since I came to Canada. I feel it is too fast. I will miss all my friends here but I'm also excited to see my friend in Japan. I had spring break from middle of May until April 1st. I had so many fun and I enjoyed it. Now, I want to show you what I did this month.

My friends and I went to Vancouver auto show! I saw so many cool cars and I went in my dream car. It was very nice experience. I saw some special Ferraris and Bugatti. I was so into taking pictures of cars. My friends also enjoyed seeing cars. After the show we went to car model shop, and I bought some. It was a nice day.

I also went to Vancouver Canucks game with my host family. It was my first time seeing Canucks game in real life. Vancouver Canucks is famous hockey team. My host family is big fan of them. I enjoyed watching the game, and the food at the stadium was fire. Canucks won the game, it was a fun day.

I only have two and a half months left here in Canada. I am so excited to see my friends in Japan, but I will definitely miss my friends here. I want to enjoy last few months of exchange life and do as many things as I can in Canada. See you next month.
