

The background of the poster is a collage of various school activities. At the top, there are three photos of a band: a drummer on the left, a singer in the center, and a bassist on the right. Below these, there are several other photos: a student in a blue floral kimono performing a traditional dance, a group of students in white shirts singing from sheet music, a group of students playing saxophones, a cheerleader in a pink outfit with arms raised, a student working on a model car, and a floral arrangement. The text is overlaid on this collage.
