

## Judi Azmand Monthly Report for September 2018.

This year's sports day and culture festival at Koyamada Senior High School gave me an unforgettable experience. As they were the first sports day, as well as culture festival I've ever experienced in Japan, seeing the students' hard work and determination during those weeks was very touching. From preparation to cleanup, the student's efforts shined through and put the attendees in awe.

There were many surprising activities during both the sports day and culture festival such as "Kibasen", "Big Centipede", and even a haunted house. It was great to see not only the students, but also parents, friends, and people around the city coming to enjoy what Koyamada Senior High School had to offer. I can't wait to see what the students will offer next year for the sports day and culture festival!

今年の小山台高校の運動会と文化祭は私にとって忘れられない経験でした。私が日本で初めて経験した行事だったので、この期間に生徒たちが精いっぱい決断を下して取り組んでいる姿は感動的でした。準備から清掃片付けまで、生徒たちの動きは輝いていて、来校者に感動を与えてくれました。

運動会にも文化祭にも、騎馬戦やムカデ競争やお化け屋敷などびっくりするようなものがありました。生徒たちだけでなく、保護者や友人、町じゅうの人々が小山台高校の催しを楽しんでいるのがわかりました。来年の運動会や文化祭がどんなものになるのか今から楽しみです。
