

# 精密コマの製作（設計）

**どんなコマを製作するか CAD で設計します。**

A person wearing a red uniform and a white face mask is seated at a computer workstation in a factory or industrial setting. The person is looking at a computer monitor displaying a technical drawing or diagram. The workstation includes a white keyboard, a mouse on a blue mousepad, and a black smartphone. A green storage bin is visible in the background. A red speech bubble with white text is overlaid on the image.
