[Important information]

A Briefing Session to select elective classes for the 2024 school year
2023.10.20

After the midterm exams, we will hold a briefing session for students to explain their subject choices for the 2024 school year.

Choosing a subject will also affect the cost of teaching materials and textbooks. Please think carefully about your career path, consult with your parents and homeroom teacher, and make a decision.

Please be careful not to make a decision easily with friends.

Please strictly observe the submission deadlines.

Dear Parents/Guardians (Please read carefully) Parental Notification has been distributed through the students.

Please read the syllabus booklet distributed to the students carefully and select courses with your child's career path in mind.

Please be sure to check and sign the form as choosing a subject is also related to the cost of textbooks and course materials.

Please be sure to check and sign the form. Please provide specific reasons for your selection. This information will be used as reference in the selection process.

Please be sure to submit your application by the due date.

[2nd Year Students] Rice Harvesting

2023/10/16

On October 12 (Thursday), for the Humans and Society class, 2nd year students were able to do rice harvesting to be able to experience the process that goes through the rice we eat every day before it ends up on our meals.
