*Hello*

My name is

*'Ileini 'Ofahengaue*

Or you can call me Ileini ( イレイニ )

**Country:** New Zealand

**Age:** 28

**Hobbies:** Travel, go to church, sports, sing & dance, animals.

## Background

I am from New Zealand, however, I was born in Tonga. So my nationality is New Zealand and my ethnicity is Pacific Island Tongan. Both countries are from Australasia/Oceania.

I have 5 brothers and 1 sister, and I am the 3rd eldest of my family. I live on a farm in NZ, so we have a dog and a lot of chickens, sheep, and goats.

My hobbies are traveling to different countries but mostly traveling around Japan. I am also a Christian, so I love going to church and reading the Bible. I also enjoy my culture's music and dance.

## **My Purpose**

I am one of your JET ALT's (Japan Exchange Teaching Assistant Language Teachers). English is the world's number 1 universal language. Which means it is the language most used around the world. And I want to help you pick up this language skill to help your future.

My goal is to support you by helping in your English reading, writing, and speaking learning. That way, you can be comfortable and able to interact and communicate in English with people around the world. As well as have the ability to study and work abroad.

## **Let's learn together!**

Although I will be helping to teach in English, I also want to learn the Japanese language and culture. And share my own culture with you all.

I hope we can both share knowledge and learn together.  
Please feel free to talk to me and practice English with me. I look forward to meeting you!

よろしくお願ひします
